Hillsdale College Hosts Fifth Annual Trunk-or-Treat

Hillsdale community members were invited to Trick-or-Treat from cars decorated by Hillsdale College students

HILLSDALE, Mich. — The Hillsdale College Student Athlete Advisory Committee hosted its fifth annual Trunk-or-Treat on Sunday, Oct. 27. Hillsdale College athletic teams, clubs, dorms, fraternities, and sororities set up booths with candy and games, allowing children in the local community to go trick-or-treating safely outdoors.

“Our goal is to connect college students and the athletic department with ways to give back to our community,” said Nikki Walbright, faculty advisor of the Student-Athlete Advisory Committee. “We appreciate the students and community members whose hard work helped make this event a success.”

Hillsdale College students representing 24 different campus groups handed out candy and coordinated games at sports-themed Trick-or-Treat stations. Several hundred children attended throughout the afternoon. The committee accepted candy donations throughout the week in addition to candy provided by each participating group.

Student-Athlete Advisory Committee hosts the event as a fundraiser for Make-a-Wish, the official NCAA philanthropy for Division II athletics. Community members contributed about \$350 during this year’s Trunk-or-Treat.

“We are happy to provide this as a free event to the community, and we are so grateful that they give back and help us reach our yearly fundraising goals,” Walbright said.

About Hillsdale College

Hillsdale College is an independent, nonsectarian, Christian liberal arts college located in southern Michigan. Founded in 1844, the College has built a national reputation through its classical liberal arts core curriculum and its principled refusal to accept federal or state taxpayer subsidies, even indirectly in the form of student grants or loans. It also conducts an outreach effort promoting civil and religious liberty, including a free monthly speech digest, *Imprimis*, with a circulation of more than 6.6 million.
