Hillsdale College Hosts July Athletic Summer Camps

Hillsdale College hosted summer camps for basketball, volleyball, and cross-country and track and field.

HILLSDALE, Mich. — Hillsdale College's athletic teams hosted youth camps throughout the month of July. Participating campers had the opportunity to learn from and train with Hillsdale's Division II coaches and athletes.

The men's basketball team hosted an offensive development camp for boys in first through eighth grade featuring camp drills, skills, and competitive games.

The volleyball team hosted two camps. An individual camp gave girls ages 8-12 intensive training in fundamentals, skills, and offensive and defensive strategies. A youth camp gave campers in grades four through seven an overview of the core volleyball skills, lots of practice, and a chance to learn by watching high school and college players.

The track and field team hosted a camp for athletes ages 12-18, using a combination of drills, demonstrations and training theory to enhance performance. Campers could choose from among all disciplines and receive state-of-the-art training using the latest, most successful training methods.

The Athletics Department will offer three more camps in August:

Men's Basketball:

- Aug. 1: [Elite Camp](#)

Baseball:

- Aug. 30: [Baseball Prospect Camp](#)

Football:

- Aug. 16: [Youth Football Camp](#)
