Hillsdale College Hosts June Athletic Summer Camps

Hillsdale College hosted summer camps for men's and women's basketball.

HILLSDALE, Mich. — Hillsdale College's athletic teams hosted youth camps throughout the month of June. Participating campers had the opportunity to learn from and train with Hillsdale's Division II coaches and athletes.

The women's basketball team hosted three camps. An elite camp gave high school girls an opportunity to learn, compete, showcase their skills, and get to know the program. A youth girls summer camp provided instruction and skill development for girls entering first through eighth grade and fostered teamwork and a love for competition. A team camp gave high school varsity and junior varsity girls basketball teams an opportunity to grow and learn during the off season by competing against each other.

The men's basketball team held a youth camp for boys in first through eighth grade featuring camp drills, skills, and competitive games. The team also hosted shootouts in play-off-play format for high school boys.
